Time slot	Item
14:00 – 15:00	Working sessions among partners

Note: All participants are welcome.

OCTOBER 14TH AFTERNOON SESSION 2

AGENDA: ONCOBIOME GA MEETING END

Time slot	Item	Speaker
15:00 – 15:10	Closing session	
5 min	Budget considerations Deliverables / milestones for 2023	Magalie MARTINEAU
5 min	Thanks to hosts	Laurence ZITVOGEL

Note: All participants are welcome.

PRACTICAL INFORMATION

Arriving in Torino

Torino can be reached from Torino Caselle Airport (Sandro Pertini Airport), or if more convenient, from Milano Malpensa Airport (additional 2hrs via bus)

From Torino Airport, it is possible to take the following modes of transport to the City Center:

- Public Transports
- Bus (SADEM company, about 6.5 euro)
- Taxi (max 40 euro). We suggest: Radio TAXI, Pronto TAXI

Both venues are easily reachable from the centre, by metro or tram.

The logo for ONCOBIOME features the word "ONCOBIOME" in a bold, black, sans-serif font. The letter "O" is replaced by a purple circle, and the letter "I" is replaced by a small globe icon. The text is overlaid on a network of orange and purple lines with circular nodes, resembling a molecular or biological structure. The entire logo is enclosed within a thin orange circular border.
